

Mississippi Association of School Resource Officers

Letter of support from agency head

I, _____ support _____ in their intent to hold a board position for the Mississippi Association of School Resource Officers as region ___ representative. I understand that this position will require time and effort on their part to fulfill these duties. I support _____ in all responsibilities as a MASRO board member; including but not limited to monthly meetings, conferences, work sessions and training events that may take them away from their job during the regular scheduled work time.
